

Why Buy from Aloha E-Bikes?

- Aloha E-Bikes is the first and largest local E-Bike/scooter carrier in Honolulu, Hawaii since 2007. Our mission is to provide the best quality products at decent price to our community and to promote environment-friendly transportation and healthy Lifestyles.
- We have experienced Staff to answer all your questions and to provide quality Service. Our mechanics and technicians with over 20 years of total experience for all of your technical questions and problems!
- All AEB or AEB-carried bikes/scooters are built to comply with Federal Moped Safety Standards (FMSS). When shopping, you must remember, Not all other E-Bikes and mopeds are built like ours! Others may not be qualified to register in our State!
- We specialize in Electric Motor Bikes and Scooters. **Sorry, we do not carry Gasoline Mopeds** because of our strong belief for an environment-friendly business !!!
- Spare Parts are in store and also available by shipping.
- We also carry other electric and medical scooters in special orders.

Most importantly, we continue working hard and insuring that you will have many long years of enjoyable and trouble-free riding with every e-bike you invest.

Warranty and Service:

We offer a 15-day total warranty for all E-Bikes/Scooters after purchase and up to 12, 24 and 36 months warranty (see details for each brand and model).

Repair service is available after warranty ends (see Contact Us).

All Aloha E-Bikes Carried Products are built to our specifications, and we hardly experience a product not functioning properly out of the box.

However, if (in the rare event) a product does not function properly, we will make every effort to get you going, or replace the product at no charge.

Shipping:

We encourage customers buying from our local stores and do a full test riding on Oahu or other locations if available.

Customers from all other islands in Hawaii, please contact main office in Oahu to arrange shipping; freight is around \$50-\$80 per bike based on the size. Usually a flat rate fee (\$25) will be applied to all inter-island shipping.

Customers from other US states, please write to infor@AEBbike.com, and your order will be accepted at [CA Distribution Center in Los Angeles](#).
